

2020 PHOTOGRAPHIC HERD COMPETITION.

As we are unable to run the Herd Competition in its usual form this year, we thought we'd do it photographically!!

There is no charge to enter, and you may enter as many or as few classes as you like.

We would like you to take 2 photos of the animal you are entering, 1 from each side.

For each animal please state its name and date of birth with the photo and if entering the cow classes, please can we have a potted history of her calvings. Please don't send show photos we want to see the animals in their natural state, muck and all !!

The **competition starts on 8th June and ends on 29th June, please take your photos between those dates** and send electronically to the Office. Your photos will then be judged between 30th June and 7th July.
