VISIT TO THE LAWFORD HERD ON 27TH OCTOBER

The Lawford Herd of Red Polls started approximately 6 years ago. It was started by buying heifer calves, along with some cows with calves at foot. The herd has now grown to 60+ breeding females. We also run a commercial suckler herd of 80+ cows using easy calving Blonde D'Aquitaine bulls. The farm is a family run mixed farm, and along with the cattle enterprise we also lamb just over 600 ewes (mainly mules with a handful of Zwartbles for the children) which are put with Suffolk tups.

Meet for coffee at 11.00am. A light lunch will be available for the cost of £5 per head.
